- ⊗ After the order placement once the vendor submits the drawings checking the design of the equipment with the technical parameters and later on approval of drawings from the department.
- ⊗ Analyzing of the inspection report of equipment's for the maintenance works.
- ⊗ Visiting the project place to ensure the construction is as per drawing to fix up the equipment accurately.
- ⊗ Coordination with the site team

Education:

SR engineering college (JNTUH -University)
B. Tech in Mechanical Engineering,2014-2018

77.08%

Key Skills

- ⊖ Adaptability
- ⊖ Strict Commitment to the given task
- ⊖ Team Management
- ⊖ Enthusiasm to learn new things
- ⊖ Primavera, MS Excel, AutoCad

Internship

- ⊖ I have completed my internship in LARSEN & TOUBRO company for 45 days on analysis of working engines of JCBS

Achievements

- ⊖ I received a merit certificate for the poster presentation on the topic of multi Agri machines in the techno fest -2K16 of SREC.
- ⊖ I got 2nd place in the prototype model on the multi- Agri machine in the techno fest-2k16 of SREC.
- ⊖ I have been a member of a cricket team that has been a runner-up in the Eenadu trophy.
- ⊖ I have participated in the WRO ARC category and won in the nationals.
- ⊖ Our team has been selected to NASA for the competition of the Rover Challenge in 2017.
- ⊖ Our team won 2nd place in the Robocon Event.
- ⊖ Served the poor by joining the ROBIN HOOD ARMY.

My Strength

- ⊖ To utilize my education capabilities with self-motivated and positive approach with in an organization that will help my professional personal skills.
- ⊖ Willing to give 100% efforts to the realization of goals at specified targets.
