

Coding Ninjas **Job Bootcamp** (previously Career Camp) is a **9 months web development bootcamp**, designed to help you land your dream job, faster. As you continue, you agree to the following Terms of Service that apply with respect to the usage of the Classroom and other services offered by Coding Ninjas (Sunrise Mentors Private Limited).

1. All the classes will be in **English**. We recommend having a laptop and internet connection to make the best of the cohort.
2. The program duration is 9 months i.e 9 months of learning with placement support till you land your first dream job. Please note : You will not be able to access any of the cohort features once you successfully land a job or after 21 months from cohort starting date (whichever is earliest).
3. You are not eligible for any refunds beyond the standard **14 days refund period**. Please note, all the amount will be refunded to the source account. Post 14 days, cancellation policies will be applied.
4. The bootcamp cannot be paused. However, we will try to support you in every way possible.
5. You need to complete 60% of the program in order to be eligible for the certificate.
