Welcome to the aura of the OPJS University! I have the following quotation of mine for you - "Neither Kalpana Chawla nor Sunitha Williams was from IIT, nor was Prof. APJ Kalam. What matters are the tutees, the tutelage and the tutors".

The contemporary design of our state-of -the-art labs, smart classrooms, meeting spaces, research and teaching areas etc., is an integral expression of our commitment to creating a physical environment that can sustain the production of learning and knowledge in the 21st century.

OPJS University will endeavor to provide full support to hone and nurture the individual's physical and mental prowess, be it the sports or the academics.

So, with the Dogma of Study hard and Play hard, go ahead and let your youth contribute to the power of INDIA. Wish you a memorable tutelage.

I encourage you to take this opportunity to further explore what OPJS University can offer in the pursuit of your academic dream. Together with the superb professional staff, we are eager to work closely with you and develop your academic and professional potential to the fullest.

Message

We invite every young aspirant, inquisitive mind and dreamer to join us and experience the thrill of soaring high.

ABOUT UNIVERSITY

For the last 9 decades, The OPJS family is dedicated to the betterment of education. We have seen many ups and downs since British regime in Haryana State but with the benign blessings of the Almighty God, we sailed smoothly amid ebb and flow. OPJS family was established by Late Shri Sanwaliaram, who hailed from a very humble, agrarian family of village Chiri of Rohtak district in Haryana State. Being down to earth and the witness of the miseries of the suppressed, downtrodden people of that time, he was shaken completely. Then he took a pledge to sacrifice his whole life to uplift the deprived section of the society irrespective of caste and creed. He foresighted that welfare of the people can be achieved only by making them literate. In this pursuit, he founded "Arya Sabha" and started a Primary school under the name and style "Arya Pathshala" in his ancestral village Chiri in 1922. Since then his journey continued unabated and never looked back.

After the demise of Sh. Sanwaliaram, his grand son Dr. Jogender Singh followed the footprints of his grand father and established more schools in the surrounding areas. At present, he is Chairman of many societies.

Under the aegis of OPJS Trust and the able guidance of Sh.Om Parkash, his son Dr. Jogender Singh founded OPJS University. Dr. Jogender Singh is a well known personality in Haryana, He is highly qualified person both in academics as well as in sports. He has represented India in boxing and brought laurels to the country and society. He is philanthropist to the core. During his abode to Rajasthan, he saw the miserable condition of academics in Rajasthan, he there then made up his mind to do for the betterment of the lower crust of the society. Inspired by the need of the people and guided by his basic instinct as an extrovert, he started his mission to establish an institution of international standard in

Rajasthan state. Finally, the dream came true. A new entity emerged on the map of Rajasthan in the name of OPJS University. OPJS University is established under the Act No 33 of 2013 of Rajasthan State. This University is spread over 32 Acres of land surrounded by Aravali Hills in Pollution free, Lush green and eco friendly environment. We have developed the campus in such a manner that a student need not go outside the University campus for his/her daily needs. Keeping in mind the geographical and topological conditions of the area in mind, we have developed our building where much emphasis is laid on energy saving and water harvesting.

We have instructional as well infra structural facilities of international standards. To accommodate the teacher and the taught and other supporting staff, We have constructed ample number of residences and hostels. Five buses ply between University and important stations at regular interval of time. Library is the power house of Wisdom and the backbone of an institution, library stocked with more than one hundred thousand books with more than 22,000 titles and references books. The whole Campus is Wi-fi enabled with ultra modern smart classes for efficient and effective teaching. As we are committed to provide quality education to the deprived, we will not leave any stone unturned to achieve this mission.

CAMPUS HIGHLIGHTS & LIFE AT OPJS UNIVERSITY
