

What We Do

Since 1992, Smt. Fulehra Foundation Smriti Siksha Prasarini Samiti has been transforming lives in Ballia, Uttar Pradesh, as a registered NGO and educational society. We blend academic excellence through our network of colleges with grassroots empowerment through community education programs. Our mission is to foster an inclusive society by providing quality education, professional skills, and opportunities for marginalized communities.

Our Educational Institutions

We manage a distinguished group of colleges, each dedicated to specialized education and career preparation. Our institutions empower students to excel in diverse fields, from vocational trades to advanced healthcare.

ITI College

Offering vocational courses in electrical, mechanical, and plumbing trades, our ITI College equips youth with industry-ready skills through hands-on training and modern facilities.

Pharmacy College

Providing diploma and B.Pharm programs, this college trains students for careers in pharmaceuticals with cutting-edge labs and clinical exposure.

Special College

Focused on inclusive education, our Special College supports students with disabilities through tailored curricula and assistive technologies.

Ayurvedic College

Offering BAMS degrees, this college blends traditional Ayurvedic knowledge with modern research, preparing students for holistic healthcare careers.

Women's Inter College

Empowering young women with intermediate education in arts, science, and commerce, fostering leadership in a supportive environment.

Homeopathic College

Training students in BHMS programs, this college prepares practitioners for holistic healthcare with clinical internships.

****Our Community Education Programs****

Our NGO initiatives focus on uplifting marginalized communities through education, skill development, and social justice. These programs ensure equitable access to learning and opportunities for all.

Fulehra Digital Disha Project

Equipping rural youth with digital skills through computer labs and coding workshops, enhancing employability.

Fulehra Samaveshi Shiksha Campaign

Ensuring inclusive education for children with disabilities through accessible infrastructure and resources.

Our Social Development Initiatives

We address critical social issues through a wide range of initiatives, empowering communities and promoting sustainable development in Ballia.

Women Empowerment & Gender Sensitization

Conducting workshops and livelihood programs to empower women and promote gender equality.

Sanitation and Hygiene Promotion

Building toilets and promoting hygiene practices in schools and communities.

Women's Health and Menstrual Hygiene

Distributing sanitary pads and conducting hygiene workshops for women and girls.

Promoting Peace and Communal Harmony

Organizing interfaith dialogues and peace-building activities.

Water Conservation and Clean Drinking Water

Installing water harvesting systems and purifiers for clean water access.

Drug Abuse Awareness and Rehabilitation

Conducting awareness campaigns and supporting rehabilitation for youth.

Mental Health Awareness and Support

Organizing counseling sessions and awareness campaigns to address mental health stigma.

Our Impact

Through our colleges, education programs, and social initiatives, we have transformed Ballia:

15,000+

Students Educated

8,000+

Women Empowered

30,000+

Lives Transformed

100+

Communities Reached
